Services

Mains water, electricity, septic drainage and LPG gas are all understood to be available to the property. None of these services have been tested.

Fibre broadband

We have been informed by the vendor(s), that Fibre broadband is currently serviced in the location of the property and is due to be connected to Topsy Cottage Spring 2024. The advantage of Fibre broadband, is that it uses a network of fibre optic cables, that are capable of delivering high-speed data over long distances. This data travels down the fibre optic cables at the speed of light meaning you get a more reliable connection to the internet and faster download speeds.
